

# INVITATION TO CLIMEON'S INVESTOR MEETING ON DECEMBER 6, 2021

PRESS  
RELEASE

STOCKHOLM | NOVEMBER | 23 | 2021 As communicated in connection with the latest interim report, Climeon will host a digital investor meeting for investors, analysts and the media on Monday, December 6, 2021.

The meeting is the first opportunity for Climeon's newly appointed CEO, Lena Sundquist, to present her view of the company to a wider group of stakeholders. The digital meeting will begin at 9.30 AM (CET) and will be held in English.

Climeon's CEO, Lena Sundquist, together with Chairman of the Board, Thomas Öström, and Head of R&D, Jonas Mählen, will update investors, analysts and the media on Climeon's development and strategy. The presentations will address Climeon's strategic focus and plan forward. The meeting will end with a Q&A session.

## MEETING REGISTRATION

Participants are kindly requested to register for the event on the event webpage at <https://climeon.com/investor-meeting-2021> at the latest on December 3, 2021.

## MEETING DETAILS

All presentations can be followed via a live webcast and a detailed schedule will be available on Climeon's website at <https://climeon.com/investor-meeting-2021>. The webcast link will be available on the same page closer to the event date. Dial-in details for the Q&A at the end of the meeting will be sent out to registered participants after the end of the registration period.

The event will be recorded. The recording and the presentation materials will be available on <https://climeon.com/investor-meeting-2021> after the webcast.

Requests for investor meetings after the event, as well as interview requests from the media, can be sent to [investor@climeon.com](mailto:investor@climeon.com).

### About Climeon AB (publ)

Climeon is a Swedish product company within energy technology. The company's unique technology for thermal power - Heat Power - makes accessible a largely unused energy source and provides sustainable electricity from hot water, around the clock, all year round. Heat Power is a cheap and renewable energy source with the potential to replace much of the energy that today comes from coal, nuclear power, oil and gas. The B share is listed on the Nasdaq First North Premier Growth Market. FNCA Sweden AB is a Certified Adviser, +46 (0) 8-528 00 399 [info@fnca.se](mailto:info@fnca.se).
