HANZA wins contract from Munters

HANZA AB has signed an agreement with Munters Europe, a world-leading global supplier of energy efficient and sustainable climate solutions.

Munters offers innovative, efficient and sustainable solutions to various customer segments, where accurate control of indoor humidity, temperature and energy efficiency is crucial. The initial deal amounts to approximately SEK 10 million and includes the manufacturing of complete electrical cabinets in HANZA's manufacturing cluster in Central Europe. Munters is a new customer to HANZA and the parties look forward to expanding the cooperation after the initial deal.

"We are very pleased that Munters has chosen HANZA as their partner. With our 'All you need is one' concept, we can offer complete manufacturing of the product in all our manufacturing clusters and we will be a strategic manufacturing partner for Munters for the future", says Veronica Svensson, Sales Director for HANZA in Scandinavia.

Deliveries start immediately.
