About Climeon AB (publ)

Climeon is a Swedish product company within energy technology. The company's unique technology for geothermal heat power - Heat Power - makes a large untapped energy resource available and provides sustainable electricity around the clock all year round. Heat Power is a cheap and renewable energy source with the potential of replacing much of the energy that comes from coal, nuclear, oil and gas, today. Climeon aims to become a global leader and the world's number one climate solver. The B share is listed on Nasdaq First North Premier. Certified Adviser is FNCA Sweden AB, +46(0)8-528 00 399, info@fnca.se.
