

Invitation to presentation of Net Insight's Interim report April-June 2013

STOCKHOLM, Sweden – Net Insight will publish its results for the second quarter on July 19 2013, at 8:45 CET. A webcast teleconference will take place the same day at 9:30 CET.

The webcast teleconference will begin with a short presentation of the report followed by a question and answer session. A possibility will be given to ask questions via the webcast online and follow the presentation material live. Participating from Net Insight will be Anders Persson, interim CEO, and Thomas Bergström, CFO.

Webcast: Please visit our website www.netinsight.net for the webcast link and presentation material. The webcast is available on demand.

Teleconference: The conference call is mainly targeted to analysts and institutional investors. To participate and thereby be able to ask questions, please call one of the following numbers:
Sweden: +46851999368
UK: +442076602081
US: +18557532237

Financial Report:

The interim report for April-June 2013 will be available at www.netinsight.net/Investors/Financial-reports

We look forward to your participation.

Anders Persson
Interim CEO
