

Invitation to presentation of Net Insight's Interim report January-June 2016

Stockholm, Sweden – Net Insight will publish its results for the second quarter on July 22 2016, at 8:45 CET. A webcast teleconference will take place the same day at 9:30 CET.

The webcast teleconference will begin with a short presentation of the report followed by a question and answer session. A possibility will be given to ask questions both via telephone and via the webcast where the presentation material can be followed live. Participating from Net Insight will be Fredrik Tumegård, CEO, and Thomas Bergström, CFO.

Webcast: Please visit our website netinsight.net for the webcast link and presentation material. The webcast is available on demand afterwards.

Teleconference: The conference call is mainly targeted to media, analysts and institutional investors.

To participate and thereby be able to ask questions, please call one of the following numbers:

SE: +46856642693

US: +18558315948

UK: +442030089802

Financial Report: The interim report for January-June 2016 will be available at netinsight.net.

We look forward to your participation.

Fredrik Tumegård
CEO

About Net Insight

Net Insight's vision is to enable a live and interactive media experience for anyone on earth. Net Insight delivers media transport solutions that empower broadcasters, content owners and network service providers to activate their audiences by providing a quality-of-experience worth paying for, live and local content that's part of their world and interactive experiences they want to be part of.

The company's solutions enable live, interactive and on-demand media transport, with operational simplicity, to let customers focus on delivering the best possible experience to their audiences. Net Insight's strength lies in enabling lossless video transport at any scale, from live contribution via the Internet, to ultra-high-definition distribution in managed media networks spanning the globe.

More than 500 world-class customers run mission critical media services using Net Insight's solutions, covering more than 60 countries worldwide. Net Insight is listed on NASDAQ OMX, Stockholm.
