

Invitation to presentation of Net Insight's Interim report January-September 2016

Stockholm, Sweden – Net Insight will publish its results for the third quarter on October 28 2016, at 8:45 CET. A webcast teleconference will take place the same day at 9:30 CET.

The webcast teleconference will begin with a short presentation of the report followed by a question and answer session. A possibility will be given to ask questions both via telephone and via the webcast where the presentation material can be followed live. Participating from Net Insight will be Fredrik Tumegård, CEO, and Thomas Bergström, CFO.

Webcast: Please visit our website netinsight.net for the webcast link and presentation material. The webcast is available on demand afterwards.

Teleconference: The conference call is mainly targeted to media, analysts and institutional investors.

To participate and thereby be able to ask questions, please call one of the following numbers:

SE: +46856642694

US: +18558315948

UK: +442030089802

Financial Report: The interim report for January-September 2016 will be available at netinsight.net.

We look forward to your participation.

Fredrik Tumegård
CEO

About Net Insight

Net Insight's vision is to enable a live and interactive media experience for anyone on earth. Our aim is to lead progress and enable a global media marketplace where live content can be exchanged and

interaction among TV audiences can take place in real-time. We want to create the media experience of the future, centered on content.

Net Insight delivers products, software and services for effective, high-quality media transport, coupled with the effective management of resources, all, which creates an enhanced TV experience. Net Insight's offerings span across the entire media spectrum, starting from TV cameras and TV studios, right through to the TV consumers. Our solutions benefit network operators, and TV and production companies, by lowering total cost of ownership, improving their workflow efficiencies and providing them with the ability to capture new business opportunities.

More than 500 world-class customers run mission critical media services using Net Insight's solutions, covering more than 60 countries worldwide. Net Insight is listed on Nasdaq Stockholm.
