Helsingborg, Sweden, July 19, 2023

# MilDef to deliver Tactical IT to Astronics Corporation in the US, worth 3 MUSD

**MilDef has signed an initial production contract from Astronics Corporation, a provider of advanced technologies for global aerospace, defense and mission critical industries. This contract integrates MilDef's computing platform within the Astronics portable radio test suite being provided to U.S. Marine Corps' (USMC) Handheld Radio Test Sets Program (HHRTS).**

This initial contract, valued at 3 MUSD for MilDef, is in support of USMC's fielding for the Astronics HHRTS test equipment and will be delivered in 2023/2024 to meet the fielding plan. The Astronics HHRTS contract is a 5-Year, Firm Fixed Price/Indefinite Delivery Indefinite Quantity (FFP/IDIQ) contracting vehicle.

*"MilDef is pleased to be a valued partner to Astronics on the HHRTS capture and subsequent contract. MilDef's core commitments to innovative design and quality made us a logical teammate for Astronics and we look forward to a long-term partnership for this solution", says Daniel Ljunggren, CEO MilDef Group.*

*"Program execution is paramount after any award and MilDef is in lockstep with Astronics to support USMC's fielding plan for the new HHRTS forward-deployed radio test set solution", says Tom O'Connor, MilDef Inc., VP Business Development & Sales.*

*The order was posted as order intake in the second quarter 2023 and is included in the order backlog per June 30th 2023.*

*The information was submitted for publication, through the agency of the contact persons set out below, at 09:30 CET on July 19, 2023.*
