

Psyonix, acclaimed video-game developer, selects Nepa for Global Brand Measurement Insights

Nepa will measure brand KPIs of Rocket League® and Psyonix sponsorships on a continuous basis in five strategic markets – US, UK, Germany, France, and Spain.

Date: July 31th, 2018

New York, NY

Nepa US Inc. announces today that they have been selected by Psyonix to provide Brand & Ad Tracking research for acclaimed video-game Rocket League and Psyonix strategic partnerships. The partnership will begin immediately with a strategic brand positioning analysis for Rocket League and key competitors. Through its Consumer Science Platform, Nepa will connect continuous measurement of key metrics such as brand awareness, ad awareness, sponsorship awareness, consideration, and Net Promoter Score with Psyonix media spend data to help Psyonix continuously optimize its marketing investments.

“We are thrilled to add Psyonix to our list of global brand tracking clients and to become a key brand strategy partner to them. This win affirms our US strategy and the value we create for clients through our ability to combine tracking research with other business data.” said Ken Peterson, Managing Director, Nepa US, Inc.
