GAMING CORPS Launches New Website Designed By Award Winning Agency SFB

New Gaming Corps Website Designed by Satumaa Family Business Live Now @ www.gamingcorps.com

The new website includes new assets from the recently acquired Red Fly Studio in Austin, as well as updated sections and new open positions for Gaming Corps Austin. The website will continue to evolve as Gaming Corps continues to develop and release new products.

“I have known SFB for a long time and I had no doubt they would do a great job at revamping our website which now reflects who we are as a company but also as a group of passionate individuals who are serious about making games! We are committed to keep the site evolving alongside Gaming Corps’ vision for the future.” says Magnus Kolaas, CEO, Gaming Corps.

“Working with a world class company like Gaming Corps is a true pleasure for SFB. Their uncompromising attitude gave us a true challenge in designing and developing the new website. Now Gaming Corps has a good starting point in developing its digital presence in the future.”, says Matias Mero, Head of Digital, Satumaa Family Business
