Precise Biometrics' R&D Director leaves for a new assignment

Rutger Petersson, Director of Research and Development and member of the management team is leaving Precise Biometrics for a new assignment as Analytics & Insight Manager at Verisure Innovation AB. The search for his successor has been initiated.

"Rutger Petersson has been with the company for ten years and is a valuable and appreciated coworker that has done great efforts for the company. I congratulate Verisure Innovation AB on the recruitment of a highly competent employee and, of course, am sorry that Rutger has chosen to leave Precise Biometrics. I wish him good luck in his new assignment. We have initiated the process of finding his successor who will have an instrumental role in shaping the company to take the next step in the fast-growing biometrics market", said Håkan Persson, CEO of Precise Biometrics.
