Obducat receives order from a well renowned R&D institute in Germany

OBDUCAT AB (publ) subsidiary Obducat Europe GmbH, a leading supplier of system solutions for lithography processing, has received an order from a leading well renowned R&D institute in Germany, for the supply of a QSW 300 SM Mask Cleaning system. The order value amounts to approx. 200 k€.

The QS 300 SM system will be installed in the cleanroom facilities of the German R&D institute in Berlin. The purpose is to enhance its application-oriented research for high speed optical communication networks.

The QSW 300 SM system is planned to be delivered in March 2018.

This is information that Obducat AB (publ.) is obliged to make public pursuant to the EU Market Abuse Regulation. The information was submitted for publication, through the agency of the contact person set out below, on December 6th, 2017 at 08.15 CET.
