

**PRESS RELEASE**

**April 5<sup>th</sup>, 2018**

## **Obducat receives order for a EITRE<sup>®</sup> 8 NIL-system from a leading development center in China**

**OBDUCAT AB (publ) subsidiary Obducat Technologies AB, a leading supplier of system solutions for lithography processing, has received an order from a leading development center for acoustical applications, for the supply of a EITRE 8 system. The order value amounts to 375.000 EUR.**

The EITRE 8 system will be installed in the cleanroom facilities of the development center. The system will be used for the enhancement of the application-oriented research work targeted at acoustical applications. Due to confidentiality requirements no additional information can be disclosed at this time.

The EITRE 8 system is planned to be delivered in the third quarter this year.

This is information that Obducat AB (publ.) is obliged to make public pursuant to the EU Market Abuse Regulation. The information was submitted for publication, through the agency of the contact person set out below, on April 5<sup>th</sup>, 2018 at 08.45 CET.
