## **Obducat receives order from IMB – Institut di Electronica di Barcelona - CSIC**

**OBDUCAT AB (publ) subsidiary Obducat Europe GmbH, a leading supplier of system solutions for lithography processing, has received an order from IMB-CNM (Institute of Microelectronics of Barcelona), Spain, for the supply of a QS W 300 system. The order value amounts to approx. 160.000 EUR.**

The ordered QS W 300 system, suitable for wet processing, will be installed in the cleanroom facilities of CNM-CSIC Campus UAB in Barcelona, Spain.

Delivery is planned for the third quarter this year.

This is information that Obducat AB (publ.) is obliged to make public pursuant to the EU Market Abuse Regulation. The information was submitted for publication, through the agency of the contact person set out below, on May 17<sup>th</sup>, 2018 at 08.15 CET.

### **About IMB-CNM**

*The Barcelona Microelectronics Institute (IMB) is the Barcelona location of the National Microelectronics Center (CNM). It belongs to the Spanish Research Council (Consejo Superior de Investigaciones Científicas - CSIC) since its foundation in 1985, together with the institutes in Madrid, (IMM-CSIC) and Seville (IMSE-CSIC). The main activities of IMB-CNM is basic and applied research and development, education and training in micro and nanotechnologies, components and systems. Its mission is to improve the knowledge and to contribute to the implementation of solutions based in these technologies in new products, for solving societal challenges.*

### **About Obducat AB (publ)**

*Obducat AB (publ) is an innovative developer and supplier of technologies, products and processes used for the production and replication of advanced micro and nano structures. Obducat's products and services serve the demands of companies within the LED, OLED, semiconductor, displays, biomedical and MEMS industries. Obducat's technologies include nano imprint technology, coating technology and wet processing technology. Obducat has offices in Sweden, Germany and China and the headquarter is located in Lund, Sweden. Obducat's class B shares and preferential class B shares are publicly traded on the Swedish NGM Equity stock exchange. Read more at [www.obducat.com](http://www.obducat.com).*
