

Obducat receives order from customer in Germany

OBDUCAT AB (publ) subsidiary Obducat Europe GmbH, a leading supplier of system solutions for lithography processing, has received an order from an existing customer in Germany, for the supply of a QS W 775 Developer System. The order value amounts to 475.000 EUR.

The QS W 775 Developer System, to be used for resist development and stripping, will be installed in the cleanroom facilities in customers' manufacturing department. The customer already has several lithography processing systems from Obducat Europe GmbH. No further information can be disclosed at this time.

Delivery of the QS W 775 Developer System is planned for in the fourth quarter 2018.

This is information that Obducat AB (publ.) is obliged to make public pursuant to the EU Market Abuse Regulation. The information was submitted for publication, through the agency of the contact person set out below, on May 21st, 2018 at 08.15 CET.
