Obducat receives order from customer in Germany

OBDUCAT AB (publ) subsidiary Obducat Europe GmbH, a leading supplier of system solutions for lithography processing, has received an order from an existing customer in Germany, for the refurbishment and upgrade of 5 existing tools. The order value amounts to 240.000 EUR.

The existing systems are used for resist coating, baking, cooling, cleaning and developing glass substrates. They will be installed again in the cleanroom facilities in customers' R&D department. The customer already has several lithography processing systems from Obducat Europe GmbH. No further information can be disclosed at this time.

Delivery of the upgraded systems is planned for end of 2018.

This is information that Obducat AB (publ.) is obliged to make public pursuant to the EU Market Abuse Regulation. The information was submitted for publication, through the agency of the contact person set out below, on June 14th, 2018 at 08.20 CET.
