

**PRESS RELEASE**

**June 26<sup>th</sup>, 2018**

## **Obducat receives order for an EITRE<sup>®</sup> 3 NIL-system from a leading material development laboratory in China**

**OBDUCAT AB (publ) subsidiary Obducat Technologies AB, a leading supplier of system solutions for lithography processing, has received an order from a leading laboratory for Advanced Material applications, for the supply of a EITRE 3 system. The order value amounts to 100 000 EUR.**

The EITRE 3 system will be installed in the cleanroom facilities of the laboratory. The system will be used for internal research within the area of advanced materials and within ongoing and future collaboration programs.

The EITRE 3 system is planned to be delivered in the third quarter this year.
