

Wind farm Hästhalla has been handed over to customer

Hässleholm, Sweden, December 13th 2016

All conditions for the completion of the transaction between Eolus and AllianzGI regarding the sale of wind farm Hästhalla have been fulfilled.

On December 7th 2016 Eolus signed an agreement with AllianzGI regarding the sale of wind farm Hästhalla. An agreement has also been made under which Eolus will provide asset management services for the wind farm. All conditions for the fulfillment of the transaction regarding all shares in the company that owns the wind farm have been met, payment have occurred and the buyer has taken over the facility.
