COPPERSTONE RESOURCES AB: SECURES A CREDIT FACILITY OF SEK 5 M

Copperstone Resources AB (“Copperstone” or “the Company”) has secured a loan of five (5) million kronor from a qualified investor, which secures continued momentum in the project development. The credit facility runs between three (3) and six (6) months with an annual interest rate of 11 %, considered as market rate.

“Copperstone is presently in an exciting development phase and even though the Company is not in the need of immediate financing we are pleased to secure further working capital that will be dedicated to exploration preparations for the next upcoming drill campaign, which aims to lift the Copperstone project to the next level”, comments Copperstone Chairman Michael Mattsson.
