

**PRESS RELEASE**

**May 4<sup>th</sup>, 2022**

## **Obducat receives order valued at 11 million SEK from a customer in the US**

**OBDUCAT AB (publ) subsidiary Obducat Europe GmbH, a leading supplier of system solutions for lithography processing, has received an order from a customer in the US, for the supply of a fully automated MC 204 resist processing tool as well as a fully automated MC 204 wet processing tool. The order value amounts to approx. 11 million SEK.**

The tools will be installed in a new fab facility where the tools will be used for SiC (Silicon Carbide) based component development and production. Further information cannot be disclosed at this point in time.

The tools will be delivered in the fourth quarter this year.
