

Antimatter Games release its first gameplay video for I.G.I.

Antimatter Games released its first gameplay video revealing the next chapter of the beloved franchise: I.G.I. and re-imagining this pioneer of the tactical first-person shooter genre.

It's 1980, the Cold War balances precariously on the brink of full-scale conflict. Infiltrate a volatile and manipulative world of high-stakes espionage – your way. Plan and execute your missions against an enemy plotting all-out nuclear war in this tense and tactical first-person shooter.
