Darkpaw Games, a Daybreak Games studio, today announced two new expansions for its legendary EverQuest® franchise. “Night of Shadows” for EverQuest and “Renewal of Ro” for EverQuest II are both scheduled to be released before December 31, 2022.

“Night of Shadows,” EverQuest’s 29th expansion, will introduce new expansion zones, with new quests, raids and missions. Players will acquire new combat abilities, spells and AAs, as well as a brand new Tradeskill Component Depot that can hold 250 stacks of different tradeskill items.

EverQuest II’s 19th expansion, “Renewal of Ro” will take adventurers into the brutal island of Ro and to the southern half of the flaming desert, exploring new zones: Raj’Dur Plateaus, Takish Badlands, Sandstone Delta, and Buried Takish’hiz, entering new dungeons, and taking part in new missions, raids and quests.
