

HÅKAN ENGVIST NEW CEO OF EMP LICURE

Uppsala 2022-09-19 Emplicure AB (publ) announces today that the Company's Board of Directors has resolved to appoint member of the board and co-founder Håkan Engqvist as new CEO and President.

As a result of the by the Company developments, Emplicure now moves into a new phase regarding both product development and commercialization. As such, the Board of Directors today resolved to appoint member of the board and co-founder Håkan Engqvist as new CEO and President. Torbjörn Walker Larsson will remain on the Group's ongoing projects for some time.

"With broad background from academic research in the field of bioceramics, experience of development from the Sandvik Group, and more than 15 years in early-stage development companies in operational as well as board roles, Håkan becomes a natural link bridging the group's operations," says Gisela Sitbon, Chairman of the Board of Emplicure.

"I look forward to driving both the product development and the commercialization of the company's products. In particular, Amplicon's nicotine pouches, with their interesting release profiles for flavour and nicotine, are in a good position to go to market within the coming year," says Håkan Engqvist.

In addition to his position as CEO, Håkan will retain his professorship at Uppsala University.

"I want to thank Torbjörn for his efforts for the company. He has done a creditable job in leading Emplicure through the IPO of the company's shares on Nasdaq First North Growth Market in Stockholm and has continued to strengthen the company's organization and structure to enable the further development of the company's product candidates," says Gisela Sitbon, Chairman of the Board of Emplicure.

Facts about Håkan Engqvist: Håkan holds a Ph.D. and is a Professor in Applied Materials Science at Uppsala University. He has extensive experience in research and development of bioceramics and of operational roles as well as board work in the medtech industry. Håkan has founded several companies, including Ossdsign AB, Psilox AB and Emplicure AB. Member of the board of Emplicure AB since 2015.
