

PRESS RELEASE

Malmö, Sweden, June 9, 2022

Check in at the Polygiene booth - at Aircraft Interiors Expo, for the first time

Learn more about complete [product protection](#) and [freshness from Polygiene](#). How to make travel more hygienic – by keeping everything from wall coverings and cabin seating to door handles antimicrobial 24/7. Come to our key panel discussion with special guest ‘the germ guy’ Jason Tetro to learn more about viruses and bacteria and how to improve cabin interior hygiene. Visit us at AIX, Aircraft Interiors Expo in Hamburg June 14-16, 2022 at our booth #7A35.

Whether it's the middle of a pandemic or not you might still wonder how clean your airplane really is? We offer technologies to protect all kind of surfaces from microbial growth and the last years have highlighted the benefit of protecting aircraft seats, tables and the cabin, making them more hygienic. To know how, come to our booth and see how it works in real life, it will be eye-opening.

Join our key panel discussion with special guest ‘the germ guy’ – Jason Tetro, explaining how to improve cabin interior hygiene and presenting innovations with antimicrobial technology in an easy and fun way. You will learn the difference between viruses and bacteria, clarification what antimicrobial technology is, and how it can be used. Furthermore, the difference between a disinfectant and antimicrobial technology, also what it means – complimenting cleaning regimes and more!

Join the Key Panel Discussion 10:30-11.30 am June 16, at the CabinSpace Live Theatre, B4 lower at [AIX at the Hamburg Messe und Congress GmbH](#)

Come and complete our 'hygiene' survey on the stand for a chance to win a set of antimicrobial-protected luggage from [Ricardo of Beverly Hills](#)
