C-RAD defines definition of “major order” in the information policy

In line with the growing order intake, C-RAD has decided to define the threshold in order value for major orders to be published. All orders with a value exceeding 7.5 MSEK or of strategic value are considered to be major orders and will be disclosed to the financial markets in a press release.

The policy change becomes effective as of the date of the present publication.

About C-RAD

C-RAD develops innovative solutions for use in advanced radiation therapy. The C-RAD group offers products and solutions for patient positioning, tumor localization and radiation treatment systems. All product development is conducted in three fully owned subsidiaries: C-RAD Positioning AB, C-RAD Imaging AB and C-RAD Innovation AB, all of which are located in Uppsala, Sweden. C-RAD has 48 employees. C-RAD has established three companies for direct sales: C-RAD Inc. in the US, C-RAD GmbH in Germany and C-RAD WOFE in China. Cyrpa International SPRL, a Franco-Belgian laser company, is a wholly owned subsidiary whose operations are integrated. C-RAD AB is listed on NASDAQ Stockholm.
