Åseda, 23 October, 2012

## ProfilGruppen streamlines the processing operations

### **ProfilGruppen streamlines the processing operations by divesting the surface treatment facility in Klavreström.**

*”This is the first step in our aim to centralize all our production to the main site in Åseda”*  
says Anders Frisinger, president and CEO of ProfilGruppen.

In total this will affect some twenty employees, who will keep their employments either with the buyer, Klarvik AB, or with ProfilGruppen.

The transaction will take place on the 1<sup>st</sup> of November and is estimated to have a limited positive impact on the 2012 year result.

---

ProfilGruppen is a supplier of complex customised aluminium extrusions and components.
