Catena Media publishes its 2022 annual report

Catena Media plc has today published its 2022 Annual Report on the group's website at www.catenamedia.com/investors/financial-reports-and-presentations/

The report takes an in-depth look at Catena Media's business model, strategy and roadmap for growth, focusing on the transformative changes and accomplishments that took place in 2022 following the strategic review of the business and the decision to concentrate on North American markets for future growth.

Catena Media CEO Michael Daly commented: "2022 was a transformative year for Catena Media, as we optimised our readiness to capture key growth opportunities in North America. With 90 percent of our revenue now derived from regulated markets, we have a leaner and more focused organisation that is well-equipped to capitalise on the potential of online sports betting and casino media affiliation in the United States and Canada."

Catena Media's 2022 Annual Financial Report (including the directors' report and auditors' report thereon) has been prepared using the European Single Electronic Format (ESEF) and can be accessed on the group's website.

A declaration by the company's directors regarding the ESEF report is attached to this press release.

As part of our ambition to minimise environmental impact, the report will not be printed.

Catena Media will hold its annual general meeting on 24 May 2023 at 10:00 CEST at Hilton Malta, Portomaso, St. Julian's, STJ4012, Malta. The registration of shareholders starts at 09:00 CEST.
