ADDvise receives allocation decision from Kuopio University Hospital in Finland worth 1.8 MSEK

ADDvise Finnish subsidiary LabRum Klimat OY has received an allocation decision regarding delivering a NanoZoomer (a digital slide scanner) from Hamamatsu to Kuopio University Hospital in Finland. The product will be used in the hospital's pathology department. The order amounts to 1.8 MSEK.

The agreement has a standstill period until 17 February 2017. Not until then LabRum Klimat OY has the right to sign the agreement with Kuopio University Hospital.

- We are making progress on the Finnish market through our Finnish subsidiary, and I see great potential to gain further market share, says Rikard Akhtarzand, CEO of ADDvise Group, in a comment.
