ADDvise receives order from Consto AS worth 4,7 MNOK

ADDvise Group AB's (publ) subsidiary LabRum AB has signed an agreement with Consto AS for a delivery of laboratory furniture to PET Senter in Tromsø, Norway.

PET means Positron Emissions Tomografi and is a technique that creates images used for studying metabolic diseases. The furniture will be delivered to the PET department at Universitetssykehuset in Tromsø.

The order is worth approximately 4,7 MNOK and will be delivered during the third and fourth quarters of 2017.

- Today's order is great news and means that we are growing on the Norwegian market, says Rikard Akhtarzand CEO for ADDvise Group AB concerning the new agreement.
