ADDvise wins public tender worth 9 MSEK

ADDvise Group AB's (publ) subsidiary LabRum AB has received an allocation decision from Stockholms Läns Landsting regarding a delivery of CO2 incubators. The incubators will be delivered to Nya Karolinska Solna and will be used for cell and bacteria cultivation. The order is worth approximately 9 MSEK and will be delivered in the second and third quarter of 2017.

- We are proud to be a part of laying the groundwork of the future of research, says Rikard Akhtarzand CEO of ADDvise Group in a comment to the allocation decision.

The agreement has a standstill period until April 10. Not until then LabRum AB has the right to sign the agreement with SLL.
