ADDvise order intake increased by 33% in Q1 2019 - Regulatory information

ADDvise Group had a strong order intake during the first quarter of the year. Order intake increased by 33 percent compared with the previous year. The total order intake amounted to SEK 84.4 million.

ADDvise Group's total order intake during the first quarter of 2019 amounted to SEK 84.4 million, compared with SEK 63.5 million in the first quarter of 2018. The total increase was 33 percent and organic growth was 20 percent compared to Q1 2018.

- The first quarter's order intake has started strongly. The trend has continued into the beginning of the second quarter. Our US operations have been the driver of the increase, says Rikard Akhtarzand in a comment on the order intake.
