Catena Media appoints Michael Daly as new CEO

Catena Media plc (Nasdaq Stockholm: CTM)

The Board of Directors of Catena Media plc announces that Michael Daly has been appointed CEO of Catena Media effective March 1, 2021. Interim CEO Göran Blomberg then resumes his position as Chairman of the Board and Öystein Engebretsen resumes the role of Board Member.

Mr. Daly has been in charge of Catena Media's US operations since April 2018 and during this time this market has grown into a highly profitable business. Prior to this role he held numerous positions within the iGaming and the Casino industry, such as Executive Vice President North America for GAN, CEO Automated Cash Systems, and Vice President Online Gaming SHFL Entertainment.

"It has been exciting working with Catena Media's US growth engine these last few years," said Daly. "And now the opportunity to work directly with all our global teams is even more exhilarating, as it is a much bigger growth engine."

"I have great trust and confidence in Michael as new CEO of the company," commented Göran Blomberg, Interim CEO. "He is a true leader with a deep knowledge of the company as well as the business. His achievement in developing the US market speaks for itself and I am convinced he is the right person to take Catena into the next development phase."

"Mr. Daly has an excellent track record and The Board is confident that he will lead Catena Media into a phase of further growth," added Öystein Engebretsen, Interim Chairman of the Board. "The Board also thanks Mr. Blomberg for his commitment and contribution during the transition period."
