

## **Ulrika Björk, CEO of Polygiene Group AB has moved 25,000 shares between depots**

"There is no reason for concern, it is merely a relocation between my depots. To move between different investment options, you must sell and buy the share again. The transaction was carried out under controlled conditions to a selling price at 8.36 SEK per share and a buying price at 8.49 SEK per share, meaning my total holdings are unchanged", comments Ulrika Björk, CEO of Polygiene Group.

Ulrika Björk holds a total of 289, 000 shares.
