

## Svenska Aerogel Holding AB (publ) appoints Gert Sköld as new CFO

**Gert Sköld has been appointed Chief Financial Officer (CFO) of Svenska Aerogel Holding AB. Gert will join the company in October and replaces Stefan Kaiser, who will return to his own business outside the company.**

Gert Sköld is currently CEO, and previously CFO, of Scandinavian Track Group AB and has extensive experience from leading positions within, among others, ABB, Siemens and Sandvik where he was responsible for Business Development, Finance, IT and project management for a business area of SEK 38 billion with global activity.

Gert is 53 years old and holds both a Master of Science in Industrial Engineering and Management and an MBA in International Marketing.

Gert Sköld

Tor Einar Norbakk, CEO says: *"We are very pleased to welcome Gert to Svenska Aerogel. His experience from the manufacturing industry, global operations, leading and motivating employees will be very important for our further success and growth."*

*"I would also like to thank Stefan Kaiser for his efforts during this important period in Svenska Aerogel's history where we went from a research company to a successful listing on Nasdaq First North. We wish him good luck in the future."*

Gert Sköld says: *"Svenska Aerogel is a company working at the technology edge and is currently in a very exciting phase in the transition from research to production and commercialization. I look forward to support the company in its next development stage"*
