

Vicore Pharma makes strategic recruitments

Vicore Pharma AB (publ) (ticker: VICO) today announced that they strengthen the organization with three new key recruitments.

Hans Jeppsson (Ph.D.) will be appointed Chief Financial Officer (CFO). Hans is a finance professional with cross-disciplinary background in finance and medicine in both academic and industry settings. He has several years of research experience in various fields, including small molecules and biologics. He did his post-doc research at University of California in Berkeley, CA. Hans has also worked as an equity research analyst at Danske Bank and has held different consulting roles.

Ulrike Muscha Steckelings (M.D., Ph.D.) has been appointed Chief Scientific Officer (CSO). Muscha has been involved with Vicore Pharma and the company's preclinical endeavors for more than 10 years, and she has been instrumental in the academic efficacy research on Vicore Pharma's lead compound C21. She has extensive research experience in the fields of the Renin Angiotensin System and the AT2 receptor, and has published numerous articles in peer reviewed journals. She also holds a clinical degree in dermatology. Muscha maintains her position as a Professor of Integrative Pharmacology at University of Southern Denmark, Odense, in parallel with her role at Vicore Pharma.

Kicki Johansson (MSc Pharm Ph.D.) has been appointed Head of Drug Development. Kicki has been responsible for the development of more than 40 new compounds in different disease areas within Astra Zeneca. Most recently she has had a position as Senior Project Leader/VP for the development of oral anti-inflammatory projects within the Respiratory and Inflammatory Disease Division of AstraZeneca.

"We are extremely happy to have Muscha, Kicki and Hans on board in Vicore Pharma. They provide both world class expertise in our field of research and experience with complex drug development and business development. All-in-all we have now built an exceptional team ahead of our clinical and business challenges", says Per Jansson, CEO of Vicore Pharma.
