ABOUT EG7

EG7 is a group of companies within the gaming industry that develops, markets, publishes and distributes PC, console and mobile games to the global gaming market. The company employs 100+ game developers and develops its own original IP:s, as well as act as consultants to other publishers around the world through its game development divisions Toadman Studios and Antimatter Games. In addition, the group's marketing department Petrol has contributed to the release of 1,500+ titles, of which many are world famous brands such as Call of Duty, Destiny, Dark Souls and Rage. The group's publishing and distribution department Sold Out holds expertise in both physical and digital publishing and has previously worked with Team 17, Rebellion and Frontier Developments. The Group is headquartered in Stockholm with approximately 200 employees in 8 offices worldwide.
