### ABOUT EG7

EG7 is a group within the gaming industry that develops, markets, publishes and distributes PC, console and mobile games to the global gaming market. Game development departments Toadman Studios and Antimatter Games employ over 100 game developers who develop their own games where EG7 owns the rights and also undertakes development assignments for other publishers around the world. The group's marketing agency Petrol Advertising Inc has so far contributed to the release of at least 1,500 titles, many of which are world famous brands such as Call of Duty, Destiny, Dark Souls and Rage. The group's publishing and distribution company Sold Out Sales & Marketing Ltd through its experts offers both physical and digital publishing and has worked with Team 17, Rebellion and Frontier Developments. The group is headquartered in Stockholm with approximately 200 employees in 8 offices worldwide. The group's business model provides the conditions for close cooperation as well as stable cash flows. The company's strategy is to continue to grow by developing games in its existing offices, and to continue to work its way up the value chain by developing games with its own resources and publishing games on its own.
