MechWarrior 5 to be Released on Xbox and Steam on May 27, 2021

EG7 wants to inform its shareholders and other interested parties that the title MechWarrior 5 will be released on May 27, 2021 on Xbox Series S and X, Xbox One, GoG and Steam (PC).

The title is developed by Piranha Games, published by Sold Out and marketed by Petrol, all EG7 companies. The first major DLC for the game – “Heroes of the Innersphere” will also launch at the same time.

MechWarrior 5 is a futuristic combat shooter, where players take control of massive BattleMechs and wage war across hundreds of different worlds throughout the galaxy.

The title has already sold hundreds of thousands of copies and will now be available on more platforms and digital storefronts.

Comment from Robin Flodin, CEO of EG7:

"We are very excited to also be able to give Xbox and Steam players a good dose of MechWarrior fun. It is also great to be able to present yet another example of the EG7 companies working together to bring a world-class title to market."
