EG7 Announces Two New Titles Developed by Big Blue Bubble

Today EG7 announces the title Power Chord, a team-based deck-building game developed by Big Blue Bubble. Power Chord will be released on Steam Early Access (PC) in December 2021.

Currently being developed by Big Blue Bubble, the developers of the world-renowned My Singing Monsters franchise, Power Chord assembles the Earth's mightiest musicians and utilizes their unique abilities to battle against a demonic horde. With each bandmate having their own distinct gameplay style, cards and perks, Power Chord allows players to create unique combos based on different band combinations.

A trailer of Power Chord has been released and can be accessed at the following link:

In addition to announcing Power Chord, Big Blue Bubble will also release the title My Singing Monsters Playground on November 9, 2021 on PlayStation 4 and 5, Xbox One and Series S/X, Nintendo Switch and Steam (PC). The title is yet another entry into the successful My Singing Monster series that has amassed over 200 million downloads to date and that recently had the most successful quarter in its 9-year history.

Comment from Ji Ham, Acting CEO of EG7:

"We are excited for Power Chord's early access release on Steam and for the console and PC release of Playground. Both titles are promising additions to Big Blue Bubble's music-themed portfolio that continue to thrive with its highly popular My Singing Monsters franchise."
