## **My Singing Monsters Playground Released Today**

EG7 today announces the release of My Singing Monsters Playground for PlayStation 5, PlayStation 4, Xbox Series X/S, Xbox One, Nintendo Switch and PC via Steam.

Developed by Big Blue Bubble, My Singing Monsters Playground is an all-new party game set in the globally renowned and imaginative My Singing Monsters universe.

My Singing Monsters Playground has players take control of their favorite Monsters and compete in tournaments of Monster-game madness. Set across locations throughout the world of My Singing Monsters, players will be able to explore and see the Monsters come to life for the first time in an immersive 3D world. With three different modes and 20+ games to compete in, My Singing Monsters Playground is bursting with fun for friends and families of all ages to discover.

My Singing Monsters Playground is now available digitally on consoles and Steam. A physical edition is also available on Nintendo Switch, in partnership with publisher Sold Out.

ABOUT EG7

EG7 is a group of companies within the gaming industry that develops, markets, publishes and distributes PC, console and mobile games to the global gaming market. The company employs 470+ game developers and develops its own original IP:s, as well as act as consultants to other publishers around the world through its game development divisions Daybreak Games, Piranha Games, Toadman Studios, Big Blue Bubble and Antimatter Games. In addition, the group's marketing department Petrol has contributed to the release of 1,500+ titles, of which

many are world famous brands such as Call of Duty, Destiny, Dark Souls and Rage. The group's publishing and distribution departments Innova and Sold Out hold expertise in both physical and digital publishing. EG7 is headquartered in Stockholm with approximately 845 employees in 15 offices worldwide.
