About Herantis Pharma Plc

Herantis Pharma Plc is an innovative drug development company looking to break the boundaries of standard therapeutic approaches. Our regenerative medicine drug candidates include i. CDFN biological therapy that acts on the proteostatic mechanisms of disease for the treatment of Parkinson's disease and other neurodegenerative diseases, and ii. Lymfactin® VEGF-C gene therapy for restoring lymphatic structure and function for the treatment of oncology related secondary Lymphedema and other lymphatic based diseases. The Herantis programs are potentially disease modifying that treat the cause as well as symptoms of disease, and bring the innovation necessary to provide further treatment options in underserved diseases. The shares of Herantis are listed on the Nasdaq First North Growth Market Finland and Nasdaq First North Growth Market Sweden.
