

WPTG signs further new business worth 9.2MSEK annually

Further to the new business announcement of 19 April, White Pearl Technology Group (WPTG) today announces yet another substantial new business win from its Digital Innovation division.

This morning, a contract was signed for Digital Services to be provided to one of the largest banking and finance companies in the world, based out of San Francisco. The contract relates to marketing and technical support for the online banking division and commences immediately. The contract value over the 12-month term is approximately 9.2 MSEK, but the contract automatically renews for successive 12-month periods. This latest win brings the total new business signed in April to 140.3 MSEK.

This information is such that White Pearl Technology Group is obliged to make public pursuant to the EU Market Abuse Regulation. The information was submitted for publication, through the contact person set out below on 2024-04-24 9.20 CEST.
