

Board-veteran and venture capitalist Arne Nabseth is up for election at White Pearl Technology Group's next AGM

WPTG nominee committee proposes IT-entrepreneur and venture capitalist Arne Nabseth as a new board member. Nabseth's experience and expertise are expected to support the company's future expansion plans. The vote will take place at the upcoming Annual General Meeting (AGM) on July 29th.

“Arne Nabseth brings deep industry knowledge from SAP business, along with extensive experience as a CFO and CEO and is currently on several listed companies board of Directors. His multifaceted background in the IT-industry, business development and finance will support our mission to grow the company group. Arne Nabseth is the perfect candidate to the WPTG Board”, says Anna Jiffer Weiner, head of the nominee committee and board member of WPTG.

The mission of the board for the coming years is to secure the company's sustainable governance while supporting the group's expansive growth trajectory, which includes both organic growth as well as mergers and acquisitions.

“I see an exciting potential in WPTG by combining and utilizing solutions, skills and resources cost-effectively over large geographies as in South America, Africa and Middle East to optimize customer delivery and service and support. As I have been involved in growing Technology companies cross-border and especially in the SAP area, I have both experience and network to contribute to this journey.” says Arne Nabseth.

Arne Nabseth has over 30 years of experience in finance and IT industries and a significant background in developing companies and businesses through entrepreneurship. He is currently serves on the board of two listed companies, Attana AB as Chairman and as board member of Dividend AB.

His career encompasses roles such as entrepreneur, CFO, investor, Board Member, and Venture Capitalist. He is experienced in venture capital from Ledstiernan, specializing in early-stage investments and buyouts within the IT and telecom sectors in particularly in SAP-management at Philips Electronics, KPMG, Bearing Point US, MAS, and Applicon.
