

# Anna Kinberg Batra is proposed to become new Chairman of the board of directors in Soltech Energy

At the Annual General Meeting of Soltech Energy Sweden AB (publ), which will be held on June 24, 2020, Anna Kinberg Batra will be proposed as new Chairman of the Company. The company's current Chairman of the Board, Frederic Telander, is proposed to remain on the Board as an ordinary member.

## **CEO Stefan Ölander comments:**

- It feels very inspiring that Anna will be part of the Soltech team. Her competence and drive is something that will benefit the Group on several levels and I am really looking forward to start up the work with Anna.

## **Anna Kinberg Batra comments:**

- I am very much looking forward to working with all the entrepreneurs in the Soltech Group and in an industry that drives important sustainable change. Not even half a percent of Swedish electricity comes from the sun today. But my hopes are high for a fast transition to renewable energy sources and a more sustainable society.
