WATCH MANUFACTURER ORDERS ADDITIONAL COATING MACHINE FROM IMPACT COATINGS

Impact Coatings has received an order from a Swiss watch manufacturer for delivery of an INLINECOATER™D coating machine equipped for decorative coatings of wristwatch components.

The customer is a well-known watch manufacturer that ordered its first coating machine from Impact Coatings in 2016. The new machine will be delivered during the first half of 2019. The order value, which depends on configuration and customer's specific requirements, is approximately EUR 700,000.
