TWO SYSTEM DELIVERIES DURING APRIL

Impact Coatings has during April carried out two planned system deliveries. In both cases the orders were disclosed via press release in September 2018 with deliveries planned for the first half of 2019. One INLINECOATER™FC for coating fuel cell plates was delivered to Henan Yuqing Power Co., Ltd. (China). The second machine, an INLINECOATER™D for decorative coatings, was delivered to a well-known Swiss watch manufacturer.
