

## PRESSRELEASE Bromma April 9th 2015

### Strong growth in order intake during the first quarter of 2015

**ADDvise order intake increased strongly during the first quarter of 2015. The order intake increased by 27.5 percent compared to last year. The order intake amounted to a total of 50.1 MSEK.**

ADDvise Lab Solutions AB (publ) order intake during the first quarter of 2015 amounted to 50.1 MSEK, an increase of 27.5 percent compared to the same period last year. During the first quarter of 2014 the order intake amounted to 39.3 MSEK. This increase is partly organic and partly acquired.

The order intake for the full year 2014 amounted to 139.0 MSEK.

- A number of major projects in the business unit lab in combination with a strong flow of orders within the healthcare segment has contributed to the strong start of the year. Once again, we have delivered a record quarter. It is the first time we reach an order intake of over 50 MSEK in a single quarter, says Rikard Akhtarzand, CEO, in a comment.
