

Richard Larsson joins the management group of Eolus

Hässleholm, Sweden, August 31st, 2018

Richard Larsson, Head of Project Delivery will join the management group of Eolus Vind AB as of September 1st, 2018.

Richard Larsson has a long experience from the wind power industry and has held numerous positions within Eolus since 2011, recently as Head of Project Development.

-Eolus has a large order back log of projects to be delivered to customers the coming years and also a high-quality project portfolio. In order to secure that our top priority projects are developed and established in an optimal way Richard Larsson will now lead the project delivery team says Eolus CEO Per Witalisson.

After the addition the management group consists of Per Witalisson, CEO, Marcus Landelin, Deputy CEO and COO, Catharina Persson, CFO, Karl Olsson, legal counsel and Richard Larsson, Head of Project Delivery.
