

Resurs Holding today publishes interim report for first quarter 2022

Resurs Holding is the Parent Company of Resurs Bank and the majority of Resurs Holding's operations are conducted through Resurs Bank. The interim report is available on Resurs Holding's website: www.resursholding.se

Today marks the start of Resurs's roll-out of a new fundamental philosophy – creating a balance in people's everyday finances – and our new visual identity that reflects our ambition. This will also permeate Resurs's offering and services that will create opportunities for more people to think and act sustainably both now and in the future.

ABOUT RESURS BANK

Resurs is a leading bank in the Nordics with a simple philosophy: we want to create balance in people's personal finances. On that foundation, we develop offers and services within loans, savings and payments for retail and e-commerce that are based on people's everyday lives, and that will create long-term value for our customers. And for society. Today, we have a customer base of slightly more than 6 million customers and 591 employees in the Nordic region.
