**Exercise Period for SinterCast Warrants
Successfully Completed**

[Stockholm, 6 October 2010] – SinterCast has successfully completed the exercise period for warrants that entitled subscription for new shares in the Company. Every two warrants entitled the holder to subscribe to one new share at SEK 25 per share.

In total, 904,540 of the 925,483 warrants were exercised, resulting in 452,270 new shares, corresponding to 97.7% of the outstanding warrants. The successful completion of the warrant programme has resulted in a cash injection of SEK 11.3 million, prior to administrative costs. The Administrative costs are expected to be approximately SEK 0.1 million.

The exercised warrants increase the number of shares by 452,270, resulting in a new total number of SinterCast shares of 6,930,653 – an increase of 7.0%. Likewise, the share capital has increased by SEK 452,270 to a total of SEK 6,930,653.

As soon as the increase in share capital has been registered by the Swedish Companies Registration Office, the interim shares will be converted to shares. The new shares are estimated to be accessible on accounts and subject to trading on NASDAQ OMX Stockholm before the end of October 2010.

SinterCast is the world's leading supplier of process control technology for the reliable high volume production of Compacted Graphite Iron (CGI). With at least 75% higher tensile strength, 45% higher stiffness and approximately double the fatigue strength of conventional grey cast iron and aluminium, CGI allows engine designers to improve performance, fuel economy and durability while reducing engine weight, noise and emissions. SinterCast produces a variety of CGI components ranging from 2 kg to 17 tonnes, all using the same proven process control technology. The end-users of SinterCast-CGI components include Aston Martin, Audi, Caterpillar, Chrysler, DAF Trucks, Ford, Ford-Otosan, General Electric Transportation Systems, General Motors, Hyundai, Navistar, Jaguar, Kia, Land Rover, MAN Diesel, Porsche, PSA Peugeot-Citroën, Renault, Rolls-Royce Power Engineering, Toyota, Volkswagen, Volvo and Waukesha Engine. The SinterCast share is quoted on the Small Cap segment of the NASDAQ OMX Stockholm (Stockholmsbörsen: SINT).
